

Welcome back to choir! We are very excited to begin a new school year with all of you. Out of respect for all members of our choir family, please adhere to the following rules:

1. Arrive to rehearsal on time (be in your seat, ready to sing by 6:30 pm)
2. Please feel free to bring a water bottle to rehearsals.
3. Support, respect and work together with all members of our ensemble in a positive, God-honoring manner at all rehearsals, performances, and any other choir event.
4. Always sing and work to the best of your ability!
5. You will NOT be allowed to wander the halls at any time during any rehearsal or performance. If you are too sick to come, please stay home and get better.
